## All-In-One Car Security System

Model No: RT106

### 4 MAIN COMPONENTS

- GPS Locator – To track and monitor vehicle's location, movement and direction with pinpoint accuracy.
- ALARM Features – Advanced alarm features and sensors to deter any acts of crime on your vehicle,
- GSM Capability – Allows for 2-way communication between you and your vehicle.
- IMMOBILIZER – Disables Engine via ignition line and fuel supply.

Equip your vehicle with this All-In-One Vehicle Security System (Model No: RT 106) with *Remote Engine-Start and Remote Air-con Start capabilities, Trunk Opener and In-Car Phone System*. It will be the only Security System your vehicle will ever need. It gives you the ability to CONTROL and MONITOR your vehicle from anywhere in the world via your own personal mobile phone.

- Send SMSes to your vehicle to arm/disarm system, lock/unlock doors or just to check the status of your vehicle,
- Receive SMSes when your vehicle's alarm are triggered by vibration, movement or any acts of CRIME e.g. window smashed, door forced open, security system tampered or engine hot-wired.
- Track/Monitor vehicle's location, speed and direction through SMS,
- Hidden microphone and 'SOS' Button,
- IMMOBILIZE your vehicle through SMS or call. (for cases of theft).

In addition, GPS Tracking of your vehicle can be done via Revtech Asia Automation's SERVER. Our Server will immediately translate the coordinates of your vehicle's position into real-time street addresses and SMS the location to your mobile phone.

Prior to installation, a preliminary investigation and analysis will be done to ascertain the current security features of your vehicle. It is important to note that our equipment's capabilities may vary based on your vehicle's security features.

Our All-In-One Vehicle Security System does not require monthly subscription charges. All REVTECH equipment comes with a 1-year warranty effective from the date of installation. Personal particulars will be noted for record purposes.

For Server Usage and any other additional services, admin charges may apply accordingly.

**Retail: SGD \$649.00**

*(excluding installation and one top-up SIM Card)*
